

Lan standard back 5 legs

Design by Iratzoki Lizaso

The functional characteristics of the Lan chair are inconspicuous: the mechanism disappears under the seat and the armrests form an integral part of the backrest. Meticulous work has been carried out on the shape, the contact zones and the choice of materials in order to create a congenial and comfortable object. Wood, Alki's favourite material, is used in both inside and outside the seat.

CATEGORY:

Office chair

ENVIRONMENT:

Indoor

APPLICATIONS:

- CHR
- Public
- Office

WEIGHT: 18,5 kg
