

Pottolo stool

Design by Iratzoki & Lizaso

The Pottolo stool is characterized by its comfortable curves and well-defined camber. The particularly meticulous upholstery work is done by hand. The seams assembling the different parts of the back give the silhouette a cinched waist that is both eye-catchingly graphic and snugly appealing. While the solid oak structure combined with upholstered features showcase the Cooperative's two foremost skills.

CATEGORY:

Stool

ENVIRONMENT:

Indoor

APPLICATIONS:

- CHR
